

Digital Literacy Awareness

The table is organized into **6 categories**, each with 4 rows of side-by-side comparisons:

CATEGORY	COVERAGE
 Privacy & Security	Phishing scams, VPN usage, data encryption
 Content & Posting	Deepfakes, copyright, digital footprint
 Interaction & Communication	Online etiquette, trolling, consent
 Time & Usage	App addiction, notification overload, focus habits
 Academic & Professional	AI tools, plagiarism, online credibility
 Mental Health & Well-being	Doomscrolling, FOMO, digital boundaries

Looking towards the future ✨
